The Purpose of Our Funds

The Fairy Godmothers’ Funds were created in 2006 to provide an avenue for grants to local women in the Manhattan, KS, area with immediate needs that are not being met by traditional funding sources. In 2018, the Fairy Godmothers added the Hand Up Grant (HUG) to provide financial assistance for a course or certification program that will lead to employment or job advancement for qualified women. www.fgfund.org

The Guardians were established in 2013 in response to the growing success of the Fairy Godmothers. The Guardians help men with limited resources and immediate financial needs within the greater Manhattan, KS, area by providing access to funds for essential services not met by traditional funding sources. The Guardians aim to help men live self-sufficiently, with hope, and dignity. www.gafund.org

Manhattan & Riley County men & women 18 years & older are eligible to apply. Funds are paid directly to providers of requested services. Recipients are eligible for assistance once per 12-month period. The average grant is approximately \$750. Recipients are not asked to repay the grant, but to help someone else in the future through a pay-it-forward principle.

The Guardians and Fairy Godmothers are component funds of the Greater Manhattan Community Foundation, a non-profit 501(c) (3) organization EIN #48-1215574. incorporated in the State of Kansas.

Grant Success Stories

- This dedicated father wears many hats: provider, business owner, and volunteer coach. When vehicle repairs became a barrier, a Guardians grant helped keep him on the road, allowing him to continue supporting his family and making a positive impact in the community.

- Through his work with All Things Restored and Be Able, this Manhattan man regularly helps neighbors in need. A Guardians grant provided critical truck repairs, allowing him to continue serving others and strengthening our community. Sometimes, supporting one person creates a ripple effect across an entire community.

- A setback from illness left this Manhattan woman facing financial hardship and unreliable transportation. A Fairy Godmother grant provided needed vehicle repairs, helping her access additional employment opportunities and build a stronger path forward.

- Following years of housing instability, this woman recently moved into a duplex through MHA. A Fairy Godmother grant provided a queen-sized mattress, helping make her new house feel like home.

Thanks to Burnett Automotive for providing discounts to help stretch grant money. Having a reliable vehicle is essential in today's world.
